

Pre-Shipment QC Checklist

Shuaizhou Buyer Guides · Free checklist

- ☐ AQL levels agreed in writing before production.
- ☐ Samples pulled randomly from packed cartons.
- ☐ Electrical safety tests: hi-pot, leakage, grounding.
- ☐ Full wash cycle run on each sampled unit.
- ☐ Cabinet color + silkscreen + lid fit checked.
- ☐ Carton drop test + labels + manuals verified.
- ☐ Failures documented with photos; actions written.
